NEXT GENERATION INTRANET

Ng Chong
Campus Computing Centre
United Nations University

Presented at Socializing ICT
September 26, 2014
Key Design Concepts

- Intranet of everything
- Personalization
- Business hub
- Social Hub
- Self-publishing
- Transparency
- Google-ability
Intranet of Everything

Anything that can be connected will be connected

Imagine a dashboard that allows you to plug in any data source

<table>
<thead>
<tr>
<th>Who is away?</th>
<th>Pelikan</th>
<th>Connections</th>
</tr>
</thead>
<tbody>
<tr>
<td>Gallery</td>
<td>UNU Pulse</td>
<td>ROE &amp; DSA rates</td>
</tr>
<tr>
<td>Who is who?</td>
<td>Recent Activities</td>
<td>...</td>
</tr>
</tbody>
</table>
Personalization
